Business Listings

Our Business listing advertising is a simple, effective, and a cost-efficient way to place your company in front of a high-quality audience of active buyers within a category relevant to your business. Unlike online directories, a Business.com editor reviews every submitted business listing for accuracy, relevance, and placement.

Targeted

Reach millions of active buyers and immediately increase your online visibility.

Relevant

List your business in one or more of the thousands of categories on Business.com—an editor will place your listing in a highly relevant category.

Cost Efficient

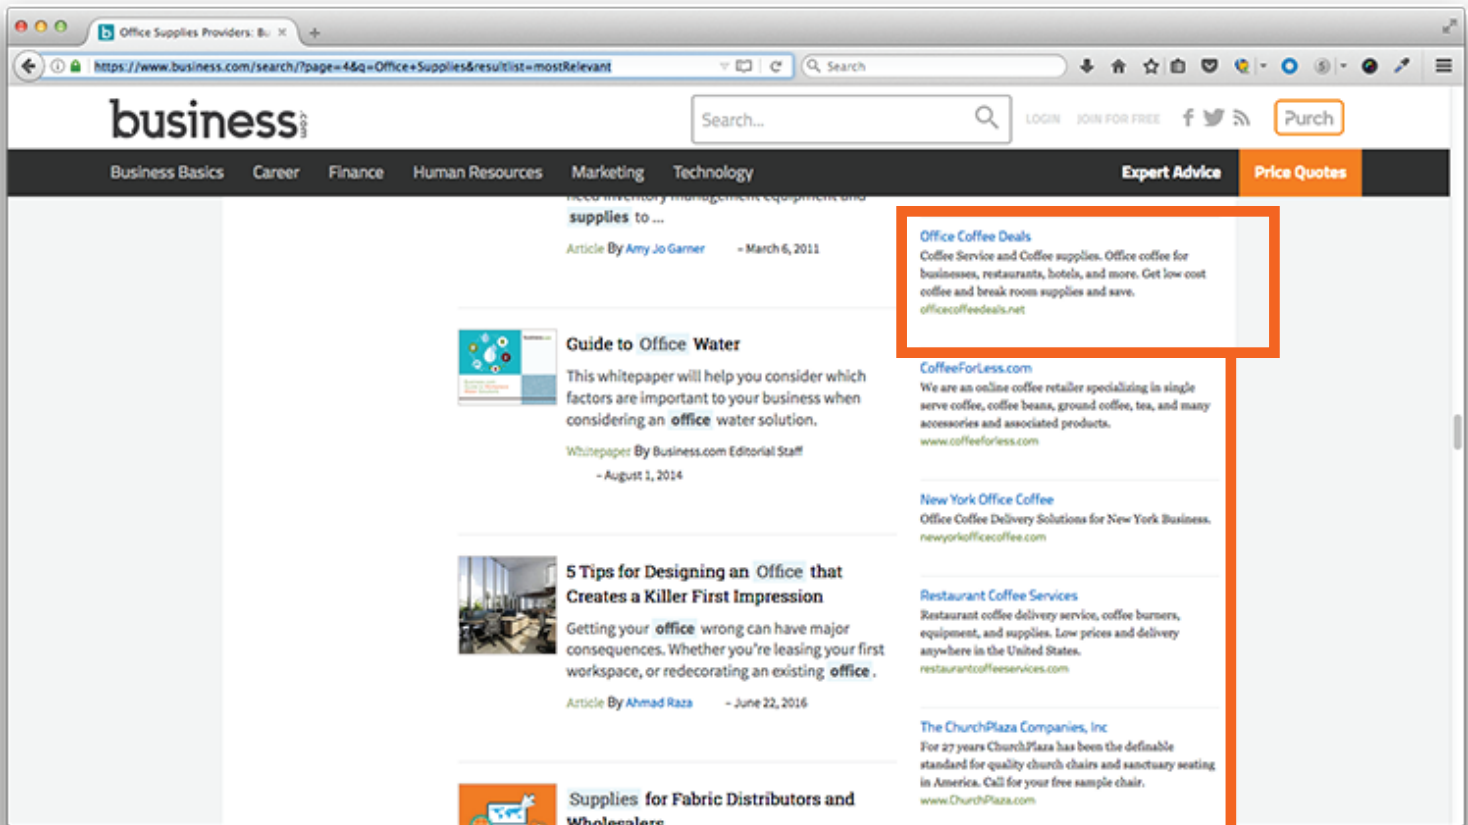

Take advantage of a low \$299 annual fee (less than \$25/month) that gets you placement for an entire year.

Authoritative

Align your brand with expertly written, high-quality content, spanning top business industries.

Tiered Pricing

We do offer tiered pricing if you have more than one business you want to list with us.

1 listing	\$299.00
2-4 listings	\$249.00 per listing
5-9 listings	\$199.00 per listing
10+ listings	\$149.00 per listing

Account Management

Along with the purchase of a business listing, you will receive a login to your own account on Business.com to manage the business listing. Your account will allow you to:

- Review, modify, and save changes to your business listing
- Add new listings under the account so all of your listings can be managed and tracked in one place
- Securely store your billing information and keep a history of billing receipts for your own records
